FOR AGILE LOGISTICS
"CREP"
FOREIGN MILITARY SALES(FMS) ARE EXCLUDED

1. Repaired items are to be shipped to the consignee using providing "DOOR TO DOOR" delivery service on all shipments.

2. DO NOT BATCH OR CONSOLIDATE SHIPMENTS. IMMEDIATE RETURN OF REPAIRED ASSETS IS ESSENTIAL TO U.S.A.F. MISSION REQUIREMENTS.

   DO NOT USE "DOOR TO AIRPORT" or "AIRPORT TO AIRPORT" service.
   Shippers must use authorized carriers on all shipments CONUS and OCONUS.

   AIR:

   a) **CONUS SHIPMENTS WEIGHING 150 LBS or LESS**
   The GSA contract carrier shall be used for shipments of 150 pounds or less and within size limitation. "Next Day Service" is still required for shipments that exceed the shipping parameters of the GSA contract.

   b) **CONUS SHIPMENTS WEIGHING 150 LBS or GREATER**
   Other tariffs are available, which provide "DOOR to DOOR" "Next Day Service", including weekends and holidays.

   AIR:

3. a) **OUTSIDE THE CONTINENTAL U.S. (OCONUS) 150 LBS or LESS**
   Worldwide Express (WWX) Carriers shall be used for shipments of 150 pounds or less. "DOOR to DOOR" delivery service.

   Some countries do not allow commercial carriers to land.
   AMC approved carriers: Shippers must use authorized carrier's AMC approved tenders for shipments outside criteria of GSA/WWX contracts, due to customs requirements.

4. **AIR/SURFACE**
   (TP-1 & TP-2) TRANSPORTATION PRIORITY: Treat as TP-1 for all shipments air or surface.
   MICAPS, RDD: 777, 999,NMCS, MICAP with or without Project Code

6. **FUNDING: ATAC/TAC CODE or LONG LINE APPROPRIATION**: Reference Contract for long line appropriation or ATAC.

7. **CUSTOMS:**
   Annotate the following statement on all shipping documents, "U.S. MILITARY to U.S. MILITARY, SHIPMENT NOT FOR RESALE". This will facilitate customs clearance at the POE. A complete description of Nomenclature is required with electronic copy of airway bill sent to consignee within 6 hrs of shipment pick up.

TRANSPORTATION NOTES TO BUYERS
AGILE LOGISTICS (CREP)

Compare the SOL/FINAL Contract to the DD FORM 1653 to ensure clauses were not deleted from the system due to automation of logic overriding selections to your form. Re-enter deleted clauses manually.

THIS IS VERY CRITICAL
Shipments may be delayed or not shipped due to lack of information/transportation clauses in the contract, creating extra transportation dollars, item not getting to the user in time, work stoppage, modification to the contracts, (for overseas shipments, could cause customs delays,) etc.

DD FORM 1653 is continuously updated due to FARS/AFMC FARS etc.
Include FAR 52.242-12 (I-540) Report of Shipment, when Item is Classified, Secret, and Confidential, this FAR is to be added to the contract. This can cause great problems if item is lost and this clause is not in the contract.

EVALUATIONS: FOB ORIGIN CONTRACTS (DD Form 1654)
There will be times when evaluations are not required (SOLE SOURCE or SHIP TO UNKNOWN).
M-135 (52.247-47 Evaluation FOB Origin, read the far for weight criteria.)
Read reverse side of DD Form 1654 for CO/Buyer's instructions for fill in.
Form must have complete information for Transportation to do complete evaluation or the form will be returned if not completely filled in.
Enter Project Code for CREP "879' and mode for evaluation on form to speed acquisition flow.
**Send DD FORM 1654, DD FORM 1653 & PR/SOL to Trans Officer that signed the DD Form 1653 for evaluation.

FAST TRANSPORTATION INSTRUCTIONS: Will be attached to all CREP PRs(DD Form 1653's). The date of the letter will be kept current. This is provided at CRT stage for review, and is attached to DD Form 1653 when CREP PR is received from PR/MIPR Control).
IAW AFI 24-201, items will be shipped IAW Fast Transportation Instructions.
Low cost, Door-to-door carrier delivery, involves express carrier pick-up of cargo at the depots, contractor facilities, or bases; and time-definite delivery of the cargo to a designated receiving location in CONUS or OCONUS, while maintaining in-transit visibility.

If only Tac 1 shows, use it
If Tac 1 & 2 shows, use Tac 2 only for CONUS AND OCONUS

DCMA=DEFENSE CONTRACT MANAGEMENT AGENT

The Contractor Transportation and DCMA Transportation people should also be included to discuss CREP and the Fast Transportation and DODAAC Listing to the contracts (during Solicitation or Award)to prevent problems on shipping. (This has happened due to transportation offices not being included). The attachments are faxed or emailed ahead of time for them to review before teleconference, etc.
